

## **Ministries of Families: Expecting parents and families Mass 2023**

On Sunday 10<sup>th</sup> September our Parish prayed for all expecting parents and their families. The Ministries of Families Committee, host this important event each year around the feast of St. Gerard (October 16<sup>th</sup>) for the intercession of prayers for a healthy mum and baby. We would like to welcome the first-time parents and welcome back returning families. As our Parish grows with the delights of children, may their faith come in abundance to nourish the church forever more.

Thank you to all who attended the Mass and especially to Father Casey, Maria La Spada and the committee who have put forward their time and efforts for each family and made them feel at home with our Parish.

This event will occur each year and we ask you keep an eye out for the announcements placed in the bulletin.
